

Directions to reach campsite Punta Lago

Coming from the **NORTH** (but also from the South) on the A22 motorway, take the exit **Trento Nord** and follow the signposts to the state road **SS47** direction PADOVA. After about 15 km, past the exit for Susà, the SS47 becomes a two-lane road. Almost immediately you turn right to **San Cristoforo, Calceranica al Lago and Caldonazzo**. Past San Cristoforo, continue on the road (4.5 km) to Calceranica al Lago.

In **Calceranica** at the first roundabout, continue straight ahead for 100 meters after the bridge. At the **Delta Energy petrol station** turn left into Via al Lago. After the level crossing, turn right and after 700 meters you will find the entrance of the campsite on your

right.

If you miss the exit to San Cristoforo, keep following the **SS47** up to the hamlet **Brenta** and there you take the exit to Caldonazzo.

NEVER TURN RIGHT BEFORE THE LEVEL CROSSING, AS YOU WILL ENTER A NO THROUGH ROAD.

After the level crossing turn right and then turn right again and follow the **SP1** road to **Calceranica al Lago**. In Calceranica at the first roundabout, go straight ahead. After 400 meters turn right just before the **Delta Energy petrol station** into Via al Lago. After the level crossing, turn right and after 700 meters you will find the entrance of the campsite on your right

If coming from Padova along the state road **SS47**, take the **exit Levico-Caldonazzo**.

Follow the signposts to Caldonazzo and then to Calceranica al Lago (**SP 1**). In **Calceranica** at the first roundabout, go straight ahead. After 400 meters turn right just before the Delta Energy petrol station into Via al Lago. After the level crossing, turn right and after 700 meters you will find the entrance of the campsite on your right.
